## About CREST

---

Centre for Research & Education for Social Transformation (CREST) is an autonomous institution under Government of Kerala. CREST has been conceived as a national institute of humanities, science and professional studies, addressing the needs of the Scheduled Castes, Scheduled Tribes and other marginalized communities of India while integrating with the informational society. The Centre was incubated by Indian Institute of Management Kozhikode. The governing council headed by the Minister for Welfare of Scheduled Castes and Scheduled Tribes and Other Backward Communities as Chairman monitors the activities of the Centre. Dignitaries like the Governor of Kerala, Chief Minister of Kerala and the Speaker of the Kerala Legislative Assembly are the patrons of this autonomous institution. The Governing Council has representation from institutions like Indian Institute of Management Kozhikode, National Institute of Advanced Studies, Bangalore, Kerala State Council for Science, Technology and Environment, Thiruvananthapuram and Sree Chitra Thirunal Institute for Medical Sciences & Technology, Thiruvananthapuram. CREST conducts a five months Post Graduate Certificate Course for Professional Development (PGCCPD) as its flagship program.

## Activities

---

### Workshop – “Redefine your horizons”

Balachandran Gopinath, International Training Fellow of the Junior Chamber Training Institute of USA conducted a two day workshop “Redefine your horizons “on 1 May 2019 with an objective to

improve the confidence level of students of the 31<sup>st</sup>. The workshop covered themes on preparing a career map, long-term professional goals and action steps for achieving them, work style and analyzing strengths and weaknesses and professional development.

## Visit to UL Cyberpark and Start up Mission

On 7<sup>th</sup> of May 2019 an industrial visit was organized for the students . Students visited UL Cyberpark, Kozhikode and interacted with the management team of the UL Cyberpark. They also

had interaction with the team of Start Up Dreams Project , initiated by Kerala Start Up Mission . The sessions were held by Krishnakumar, Project Coordinator, Start Up Dreams Project, KSUM and

Noble G Bhasi, MD, NGB Motors Pvt Ltd. Students of CREST presented before the Start Up Dreams about their start up business ideas. Students presented concepts on various start -ups , of which one proposal was approved by the Start Up Dreams for proposal development.

## Workshop on Interview Skills

A one-day workshop on “Stress Interview and Group Discussion” for the students of the 31st batch PGCCPD was conducted on May 14th 2019 by Nishad Gopuarm and his team from TIME. The interview panel consisted of five members from the institute TIME and they gave the students feedback and suggestions on preparing for the interview. The interactive session gave an opportunity for the students to understand as to how an interview is to be faced and the preparations to be made. Queries on structuring the answers and introduction of the self were also addressed during the session. The practical session helped the students in clarifying their doubts and inhibitions about interview.

## Theatre Workshop

A seven day theatre workshop was held for the 31<sup>st</sup> Batch of the Post Graduate Certificate Course for Professional Development (PGCCPD) from 20<sup>th</sup> to 26<sup>th</sup> of May 2019. The workshop was conducted by Pallavi Chandar , a theatre person based in Bangalore The workshop used theatre as

tools to help the students of PGCCPD to express without inhibitions. On 26<sup>th</sup> of May 2019, the participants of the workshop performed a play in English before an invited audience at CREST, KIRTADS Campus , Kozhikode.

## Valedictory function

Valedictory function for the 31st Batch of the Post Graduate Certificate Course for Professional Development was held on 28th May 2019 at Hotel Alakapuri Auditorium, Kozhikode. Dr. Sivaji

Chakravorti Director, National Institute of Technology Calicut was the chief guest. Dr. Rudra Sensarma, Professor & Dean (Research, Innovation & Internationalization) Indian Institute of

Management Kozhikode was the Guest of Honor. Presidential Address was given by Prof. D.D. Nampoothiri Executive Director, CREST. The students were felicitated by Dr. Anitha Ramesh, faculty

member of CREST , Ms. Ayesha Azad, Ms. Ghazal Farkhari , Ms. Harvey Sanchez Amanda Louise, Ms. Olsen Annika Kirstan , the interns at CREST and Ms. Sanisha , alumni of CREST. Mr. Shineesh N, Ms. Anupriya B, the students of 31st Batch gave the reply speeches. Vinod Krishnan TY, Associate Program Coordinator gave the vote of thanks.

## Start Up Dreams Approves Business Idea

Ten students of the Post Graduate Certificate Course for Professional Development of CREST floated a women led Start Up "Fresh Up" , a mobile rest room network in Kerala. Mobile rest

room/toilets will be available in public places, wedding functions, venue of public meetings , public examination places etc through an App. The concept , developed by the students was approved by Kerala Start Up Mission. The "Start Up Dreams" , a unit of Kerala Start Up Mission will help the "Fresh Up" in developing the idea and technology. They will also support the project with seed money.

## Self Enrichment Workshop for MBBS Students of AIIMS

On invitation from All India Institute of Medical Sciences (AIIMS) New Delhi, CREST conducted a week-long orientation programme from 11<sup>th</sup> to 17<sup>th</sup> July 2019. The program was held with the objective to enhance the self-confidence level of students, particularly hailing from disadvantaged background. The seven days' course covered modules in Communication Skills, Self Enhancement

for Professional Excellence and Theatre. Sessions on interpersonal skills and self-empowerment were conducted by Associate Programme Coordinator Vinod Krishnan T Y, and HR trainers Balachandran Gopinath, Vinod A R & Vinod Kumar Jayanandan, theatre persons Abhilash Pillai and Jilmil Hazarika and educational trainer Benson Issac.

## Faculty Mentor Workshop

CREST was invited by All India Institute of Medical Sciences (AIIMS) New Delhi to conduct a faculty mentor workshop on 18 July 2019. The objective of the workshop was to enable faculty members to be teacher-mentors who would have a better understanding of the learning needs of the students, particularly from disadvantaged background undergoing MBBS Degree Course at AIIMS. The workshop was organized in the backdrop that nearly a quarter of the students who join the MBBS

programme are from relatively lower economic strata often from a parental background of first generation literates. A significant section of the students from the Scheduled communities belongs to this category, who however qualify for admission after competing in an extremely rigorous examination. Barring a few, most of the students from this category are from groups with low social capital and from rural areas. Parental support is minimal to this section of candidates as most of their parents are not adequately informed about the content of the courses at AIIMS. These students do not get proper mentoring support from parents suited to the medical education being received. The workshop is expected to help the faculty members to be sensitive to the students' backgrounds and to be effective mentors to the MBBS students throughout their academic career. Sessions were held by Dr. Pratap Saran, Professor, AIIMS, New Delhi, Prof. DD Nampoothiri, Executive Director CREST, Balachandran Gopinath, Visiting Faculty CREST and Benson Issac, Faculty, Azim Premji University, Bangalore. Tools from the "Theatre of the Oppressed" was extensively used by Benson Issac in sensitizing issues of social concern.

## 32nd Batch of Post Graduate Certificate Course for Professional Development

Interview for admission to the 32<sup>nd</sup> Batch of Post Graduate Certificate Course for Professional Development (PGCCPD) was held on 3<sup>rd</sup>, 4<sup>th</sup> & 5<sup>th</sup> of July 2019 at CREST. 40 students were selected for the course based on the marks they obtained for their Bachelors / Masters Degree course and

interview. Classes began for the new batch of students on 1<sup>st</sup> of August 2019. Of the 40 students who joined for the programme, 34 are girls. An ice-breaking session was conducted for the students on 2<sup>nd</sup> of June 2018, which was conducted by AR Vinod and Sucharita Hota, faculty members of CREST.

A three day orientation program was held for the students from 3<sup>rd</sup> to 5<sup>th</sup> of July 2019 at SIGN Philosphere, Koolivayal, Panamaram, Wayanad. The workshop covered themes on Team Building, Presentations and communication. The workshop was conducted by Mr. Anil Menon, a senior HR trainer from Kochi.

## International Day of the World's Indigenous Peoples 2019

August 9 is commemorated as the International Day of the World's Indigenous Peoples in recognition of the first meeting of the United Nations Working Group on Indigenous Populations in Geneva in 1982. It is celebrated around the world and marks the date of the inaugural session of the Working Group on Indigenous Populations at the United Nations in 1982. This year's theme is Indigenous Languages and will focus on the current situation of indigenous languages around the world within the framework of the 2019 International Year of Indigenous Languages. The aim is to highlight the critical need to revitalize, preserve, and promote indigenous languages and share good practices through expert/interactive panels and presentation of innovative initiatives on indigenous languages. A commemorative

event was organized at the CREST on 9 August 2019 and a presentation was held at CREST on indigenous people of the world.

## Self Enrichment Workshop for first year MBBS students of Dr. Radhakrishnan Government Medical College, Hamirpur , Himachal Pradesh

On invitation from Dr. Radhakrishnan Government Medical College, Hamirpur , Himachal Pradesh a Self Enrichment Workshop for first year MBBS students was held from 25<sup>th</sup> to 30<sup>th</sup> of August 2019 .

The objective of the workshop was to enhance the self-confidence level of students and to provide mentoring support to students from marginalized sections and rural backgrounds so as to equip them to take up the academic challenges effectively. The programme started with a brief introductory session

which was inaugurated by Dr. Anil Chauhan, Principal, and Dr. Radhakrishnan, Government Medical College, Hamirpur on 25<sup>th</sup> of August 2019. The sessions were held by the faculty team of CREST

comprising of Vinod Krishnan TY, Sucharita Hota, Vinod AR, and Shweta Vij. On 30<sup>th</sup> of August, a workshop on mentoring also was held for the faculty members.

## Alumni Achievement

Syam Mohan of 12<sup>th</sup> Batch of PGCCPD was awarded PhD Degree in Physics (Biophotonics) from

Heriot Watt University, Scotland, UK. His thesis aims to address the limited uptake of lasers into surgical procedures by developing a new surgical process. Heriot-Watt University is a public research university based in Edinburgh, Scotland, established in 1821 as the world's first mechanics' institute (School of Arts of Edinburgh), subsequently was granted university status by royal charter granted in 1966. It is the eighth oldest higher education institute in UK.

Ms. Sheril Sudheesh was awarded Teach for India Fellowship . A Master Degree holder in Mathematics . Sheril will be working for the underprivileged children in Maharashtra. The Teach For India Fellowship program is meant for India’s brightest and most promising youth, from the nation’s best universities and workplaces, to serve as full-time teachers to children from low-income communities in some of the nation’s most under-resourced schools. Through this experience of teaching in classrooms and working with key education stakeholders like students, principals, and parents, the Fellows get exposed to the grass root realities of India’s education system and begin to cultivate the knowledge, skills, and mindsets necessary to attain positions of leadership in education and identify their role in building a wider movement for educational equity in the country. The prestigious Teach for India fellowship is awarded through a rigorous selection process. The Fellows are expected to transform the life paths of children and in turn transform themselves towards leadership in educational equity

## Interns

Ms. Amber Xinyang Ye . Ms. Tabitha Olwapinu Oni and Annika Kirstan Olsen from University of Toronto, Department of Anthropology Amanda Louise Harvey-Sanchez Sibalis of Toronto University , Canada interned with CREST during May – August 2019. The interns have been providing support for improving the English communication skills of the students and group activities. The interns are undergraduate students of Anthropology at the University.

## Special Lecture on Indian Democracy

Prof. K.Gopalan Kutty , historian gave a special lecture on India's freedom struggle on 15 August 2019 in connection with the independence day celebration held in CREST. Dr. K. Gopalan Kutty, was Head of the Department of History, University of Calicut. He has been teaching modern history at Malabar Christian College, Calicut and Calicut University. He has written extensively on Civil Disobedience movement and agrarian movements in Malabar .

## Access Program

### Susandhi Fellowship

Four students from Model Residential Schools which CREST had been mentoring have obtained the Susandhi Fellowship instituted by Deshpande Educational Trust and Eklakshya, Hubli, Karnataka. The SUSANDHI FELLOWSHIP PROGRAM selects meritorious students hailing from low-income

households in India. Through the fellowship program , the students undergo a very specialized BSc Program in industries. The customized Bachelors' degree is given by KLE Tech University , Hubli. During the undergraduate program the selected candidates will be working with leading IT firms of

the country for one year specializing in areas like Data Analytics, Semiconductor services , Software Services, IoT Technology.

Abdul Kalam Susandhi Fellowship is a unique program, a small step to transform the lives of rural and poorer families by enabling their children to pursue a world class professional program in the hi-tech domain of VLSI/Embedded/Software. This creates an opportunity which is otherwise unavailable to them. The program is designed to nurture their inherent strengths while at the same time impart significant new skills, both technical and life skills, to enable them to confidently enter the Hi-Tech domain of VLSI/Embedded/Software. Abdul Kalam Susandhi Fellowship is crafted as a “Earn while you Learn” program so that the parents and the families do not experience a financial burden.

In addition to this, eleven students from the Model Residential Schools have obtained admission to undergraduate programs in nationally known academic institutions. This includes six students at Indira Gandhi National Tribal University , two at Delhi University , one candidate at Footwear Design and Development Institute and and one Candidate at National Institute of Fashion Technology (NIFT)

### **“Recasting Selves” - Documentary Film on CREST**

" Recasting Selves " a documentary on CREST , filmed in April 2016 by Lalit Vachani will be the opening film at the Urban Lens Film Festival in Bangalore. It will be screened at Goethe-Institut Max Mueller Bhawan Indiranagar, Bangalore on 19 September 2019 at 6:30 PM . Lalit Vachani is a documentary film maker based in Göttingen, Germany where he teaches courses on media and

politics, the political documentary film and documentary theory and production at the Centre for Modern Indian Studies (CeMIS) at the University of Göttingen. Lalit Vachani’s documentaries include The Starmaker (about the business of ‘starmaking’ in the Hindi film industry); The Boy in the Branch and The Men in the Tree (on the Rashtriya Swayam Sevak Sangh ); The Play Goes On

(about a socialist street theatre group, Jana Natya Manch); The Salt Stories (following the trail of Mahatma Gandhi's salt march in India after seventy years); Tales from Napa (about a village that resisted Hindu fundamentalist forces during the 2002 riots in India) and An Ordinary Election (an in-depth study of an Indian election campaign). The film is an 1 hour 20 minutes long academic 'reading' of CREST . The team that made the film included Prof. Sanjay Srivastava Professor of Sociology at the Institute of Economic Growth, Delhi., Priya Sen , film maker , Husain Akbar photographer of NDTV & National Geographic, among others.

## CREST in Media

Print as well as the visual media has given coverage to various programmes of CREST held during January – April 2019. *Mathrubhumi Daily, Malayala Manorama, Deshabhimani daily, and The Hindu* covered news on the activities of CREST during these months

# പ്രൊഫഷണൽ വിജയത്തിന് നിരീക്ഷണം പ്രധാനം -ഡോ. ശിവജി ചക്രവർത്തി

**കോഴിക്കോട്** ▶ കാണുന്നതല്ല, കാര്യങ്ങൾ നിരീക്ഷിക്കുന്നതാണ് പ്രൊഫഷണൽ വിജയത്തിൽ പ്രധാനമെന്ന് എൻ.ഐ.ടി. ഡയറക്ടർ ഡോ. ശിവജി ചക്രവർത്തി അഭിപ്രായപ്പെട്ടു. ക്രൈസ്റ്റ് നീ.ജി.സി.പി.ഡി. 31-ാം ബാച്ച് യാത്രയയപ്പ് ചടങ്ങിൽ മുഖ്യാതിഥിയായി സംസാരിക്കുകയായിരുന്നു അദ്ദേഹം.
